

“...Dr. Prasad, I am very interested in your translation of Gita. Though I have many English translations, **I think your translation is the best one. So far, there are 5 versions in China**, and I hope we could translate your "Gita" into Chinese too. Could you grant the Chinese translation rights.....”

Dear Prof Ramananda Prasadji,

I am delighted to let you know that the Indian ambassador to China attended the International yoga conference. At the conference, the Gita in Chinese was released. He sent 20 books to different friends. Many people like to read your book.

If we invite you to visit China and deliver some lectures on Gita at our university for 7- 10 days, would you like to come? In that case, all your costs in China , including your flight tickets, will be covered.

With good wishes,

Zhicheng Wang
